ETHICS IN SPORTS (ATHLETE-PARENT/GUARDIAN/CAREGIVER) – 2018-2019
(Revised 3/09)

I. POLICY STATEMENT

- It is the mission of the California Interscholastic Federation, San Diego Section (CIFSDS) to promote high standards of sportsmanlike and ethical behavior in and around athletic contests played under its sanction and, in life, in general. Citizenship, Integrity, and Fairness are embodied in that mission. CIF and CIFSDS contests must be safe, courteous, fair, controlled, and orderly for the benefit of all athletes, coaches, officials, and spectators, and behavior by all involved at all times should manifest the highest standards of conduct.
- It is the intent of the section membership that poor sportsmanship, unethical behavior, and violence, in any form, will not be tolerated in athletic contests or practices. In order to enforce this policy, the membership, through its Board of Managers, has established rules and regulations.
- Coaches assume the responsibility to teach and demand high standards of conduct of their athletes both on the field of play and in everyday life, in season and out of season.
- It is the school principal's responsibility to enforce all CIFSDS rules and regulations and to demand high standards of conduct from coaches, athletes, parents/guardians, and spectators. The principal shall demand strict adherence to all the CIF State and CIFSDS rules, regulations, and procedures.
- **Participation in interscholastic athletics and section playoffs is a privilege.**
- The CIFSDS Board of Managers requires that the following Code of Ethics be issued to and signed by each student-athlete, parent, coach, and officials' association. Penalties for failure to submit a signed Code of Ethics are:

1. Athlete	Ineligibility for participation in CIF-San Diego Section athletics
2. Coach	Restricted from coaching in CIF-San Diego Section contests
3. Officials Association	Not approved to officiate in the CIF-San Diego Section
4. Parent	Prohibition/Removal from attendance at CIF or CIFSDS event
- **Failure to abide by the standards of behavior as agreed will result in a penalty up to and including disqualification to participate.**

II. CODE OF ETHICS FOR STUDENT-ATHLETE, PARENT/GUARDIAN/CAREGIVER, COACH, CONTEST OFFICIAL

- A. Comply with the six pillars and 16 Principles of the Pursuing Victory with Honor program (on reverse side).
- B. Be courteous at all times with school officials, opponents, game officials, and spectators.
- C. Exercise self-control.

- G. Respect the integrity and judgment of game officials.
- H. An athletic director, sports coach, school official or employee or booster club/sport group member may not provide any muscle-building nutritional supplements to student-athletes at any time. A school may only accept an advertisement, sponsor, or donation from a supplement manufacturer that offers only non-muscle building nutritional supplements. A school may not accept an advertisement sponsorship or donation from a distributor of a dietary supplement whose name appears on the label. Permissible non-muscle building nutritional supplements are identified according to the following classes: Carbohydrate/electrolyte drinks; energy bars, carbohydrate boosters, and vitamins and minerals. (Revised - Federated Council May 2007.)
- I. **Win with character; lose with dignity.**

Accept consequences of conduct deemed inappropriate or in violation of rules.

I have read, understand, and accept the Policy Statement, Code of Ethics, The Pillars and Principles of Pursuing Victory with Honor, and the Violations, Minimum Penalties, and Appeal Process (on attached page) of the CIF-San Diego Section **ETHICS IN SPORTS** Policy. PURSuing VICTORY WITH HONOR

SIX PILLARS OF CHARACTER

TRUSTWORTHINESS

RESPECT

RESPONSIBILITY

FAIRNESS

CARING

GOOD CITIZENSHIP

SIXTEEN PRINCIPLES OF PURSUING VICTORY WITH HONOR

1. The essential elements of character building and ethics in CIF sports are embodied in the concept of sportsmanship and six core principles: trustworthiness, respect, responsibility, fairness, caring, and good citizenship. The highest potential of sports is achieved when competition reflects these "six pillars of character."
2. It's the duty of School Boards, superintendents, school administrators, parents, and school sports leadership - including coaches, athletic administrators, program directors, and game officials - to promote sportsmanship and foster good character by teaching, enforcing, advocating, and modeling these "six pillars of character."
3. To promote sportsmanship and foster the development of good character, school sports programs must be conducted in a manner that enhances the academic, emotional, social, physical, and ethical development of student-athletes and teaches them positive life skills that will help them become personally successful and socially responsible.
4. Participation in school sports programs is a privilege, not a right. To earn that privilege, student-athletes must abide by the rules, and they must conduct themselves, on and off the field, as positive role models who exemplify good character.
5. School Boards, superintendents, school administrators, parents, and school sports leadership shall establish standards for participation by adopting and enforcing codes of conduct for coaches, athletes, parents, and spectators.
6. All participants in high school sports must consistently demonstrate and demand scrupulous integrity and observe and enforce the spirit as well as the letter of the rules.
7. The importance of character, ethics, and sportsmanship should be emphasized in all communications directed to student-athletes and their parents.
8. School Boards, superintendents, school administrators, parents, and school sports leadership must ensure that the first priority of their student-athletes is a serious commitment to getting an education and developing the academic skills and character to succeed.
9. School Boards, superintendents, principals, school administrators, and everyone involved at any level of governance in the CIF must maintain ultimate responsibility for the quality and integrity of CIF programs. Such individuals must assure that education and character development responsibilities are not compromised to achieve sports performance goals and that the academic, social, emotional, physical, and ethical well-being of student-athletes is always placed above desires and pressure to win.
10. All employees of member schools must be directly involved and committed to the academic success of student-athletes and the character-building goals of the school.
11. Everyone involved in competition including parents, spectators, associated student body leaders, and all auxiliary groups have a duty to honor the traditions of the sport and to treat other participants with respect. Coaches have a special responsibility to model respectful behavior and the duty to demand that their student-athletes refrain from disrespectful conduct including verbal abuse of opponents and officials, profane or belligerent trash-talking, taunting, and inappropriate celebrations.
12. School Boards, superintendents, and school administrators of CIF member schools must ensure that coaches, whether paid or voluntary, are competent to coach. Training or experience may determine minimal competence. These competencies include basic knowledge of: 1) The character building aspects of sports, including techniques and methods of teaching and reinforcing the core values comprising sportsmanship and good character. 2) The physical capabilities and limitations of the age group coached as well as first aid and CPR. 3) Coaching principles and the rules and strategies of the sport.
13. Because of the powerful potential of sports as a vehicle for positive personal growth, a broad spectrum of school sports experiences should be made available to all of our diverse communities.
14. To safeguard the health of athletes and the integrity of the sport, school sports programs must actively prohibit the use of alcohol, tobacco, drugs, and performance-enhancing substances, as well as demand compliance with all laws and regulations, including those related to gambling and the use of drugs.
15. Schools that offer athletic programs must safeguard the integrity of their programs. Commercial relationships should be continually monitored to ensure against inappropriate exploitation of the school's name or reputation. There should be no undue interference or influence of commercial interests. In addition, sports programs must be prudent, avoiding undue financial dependency on particular companies or sponsors.
16. The profession of coaching is a profession of teaching. In addition to teaching the mental and physical dimension of their sport, coaches, through words and example, must also strive to build the character of their athletes by teaching them to be trustworthy, respectful, responsible, fair, caring, and good citizens.
